

## **PARENT-TEACHER CONNECTION**

### **TEAMWORK**

Success for students is high on everyone's list. We can achieve it by working together as a team - parent, student, teacher - communicating frequently!

### **SPECIAL NEEDS, FEARS**

Does your child have a particular need or recurring fear that I should know about? Has there been a negative shift in attitude toward school? Often, there are anxieties which never show up at school, but surface at home. If you make these concerns known, perhaps I can help.

### **RETURN TO SENDER**

Help! When a note goes home for you to sign, please know that its prompt return is greatly appreciated!

Please mark or label everything (all jackets, lunches, bags, each crayon, marker, pencil, etc) with your CHILD'S NAME! That way we can return it to your child when it falls on the floor.

### **COMMUNICATE CLASSROOM PROBLEMS**

If you, or your child has a certain complaint or concern regarding our class, please let me know. In order to solve classroom problems, I need to be aware of all the circumstances. Everyone will benefit from immediate communication. School: 949-2033 Home: 735-5390

### **DROP A NOTE**

If you are pleased with any aspect of school or class activity, please take a couple of minutes to say so in a note. I appreciate hearing from you, particularly when you sense something good is going on at school.
