

Aloha from Hawaiian Mission Academy

Registration time is here!

- Seniors Register August 3, Monday beginning at 8:30.
- Juniors Register August 4, Tuesday beginning at 8:30.
- Sophomores Register August 5, Wednesday beginning at 8:30.
- Freshmen Register August 6, Thursday beginning at 8:30.

*If you have more than one student, come on the older student's registration day.

Registration will kick off with the Registration Form packet. If you are tech savvy and love to save time during the registration process, simply download and fill out the forms from our website:

<http://hawaiianmissionacademy.org/registration-information/>. Email them back to registrar@hawaiianmissionacademy.org no later than Friday, July 31 OR print them

and bring them with you on registration day. If you like to do things the tried and true way, show up as early as possible (starting at 8:30), to pick up your packet and begin filling out the forms in the air conditioned comfort of our Science classroom.

When you arrive on campus you will begin your registration journey at the "Start Here" table. If you have not downloaded your registration forms, or if your dog ate them, we will gladly hand you a fresh packet of forms. At this table you will also sign up for an appointment with Eunie Banuag, Assistant Business Manager, to square away tuition finances. You are welcome to call in your appointment reservation with Mrs. Banuag early but you have to call 48 hours in advance and you must arrive on schedule.

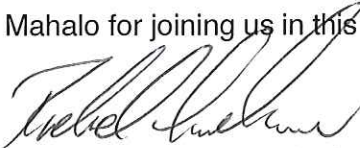

After scheduling your appointment with Mrs. Banuag you will continue your registration journey through a series of important destinations on campus. These destinations are clearly identified on the attached 'Registration Checklist' and will also be available at the "Start Here" table. These important destinations include;

- Path to a Diploma (Academic Advisement OR choosing a class schedule)
- Locker assignments
- Student pictures for the HMA *Funnybook*
- Purchase class books and the very fashionable HMA school uniform
- Meet some of the teachers along the way
- Become a pro at reviewing grades online in iNow
- Visit the "ASHMA Oasis" for refreshments.

In addition to this letter you are receiving the Registration Checklist. We think this will help speed your registration because you will be able to have all of your documents prepared, immunizations complete and athletes can even have their sports physical done.

We are so excited that you have decided to spend this coming year with us. We hope our attempts at streamlining communication, processes and procedures will make your life a little easier and much happier.

Mahalo for joining us in this wonderful journey of Christian Education.

Roland Graham, Principal
