GRANTING PERMISSION FOR PHOTOS

The educational program at Hawaiian Mission Academy is one that students, parents and members of the community can be proud of. Often civic, educational, church, student or other groups are interested in learning about our program or about individual student achievements. For this reason the school often produces and uses photographs and videos for school brochures, school newsletters, calendars, church publications and school websites. In addition, newspapers and television and radio stations sometimes feature our classes, students or activities in news stories.

Please sign below to grant your permission to feature your child in such photographs, films or recordings. We appreciate your help presenting students and programs to the community to help others understand and support Christian education, as well as to affirm students for their achievements.

If you sign below that you DO NOT wish your child to be featured in such photographs, films or tape, we may remove your child from the activity at the time students are being photographed, filmed or recorded, or we will not publish or permit to be published any photo, video or recording featuring or identifying your child.
